

# Anti-Fatigue & Safety Mats

*Innovative, unique modular anti-fatigue matting.*

Interlocks with Modular Worksafe™ Light No. 472 to form matting with and without drainage areas.

*Totally hidden interlocks.*

*Horizontal or vertical interlocking capability.*

## MODULAR DIAMOND-PLATE No. 470

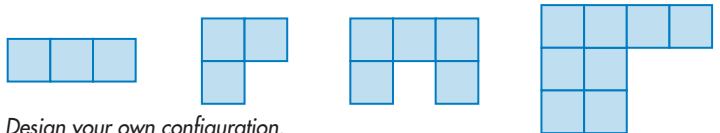

**USES: DRY & MODERATELY WET WORK AREAS**

- Use as a 3' x 3' single mat, or snap together to form a long runner or to cover an entire floor.
- Mats easily snap together to form virtually any configuration.
- Built-in interlocking system requires no connectors or additional bevels and allows the mats to be interlocked vertically or horizontally.
- Reduces standing worker fatigue.
- The high-tech diamond surface provides additional traction.
- Available in two resilient rubber compounds: Grease-Resistant and Grease-Proof (Nitrile Rubber for use around greases, chemicals and caustic agents).
- Rounded corners provide easy access.
- 1/2" overall thickness.

**STOCK SIZES:** 3' x 3' Grease-Resistant (GR)

3' x 3' Grease-Proof (GP)

**CUSTOM SIZES:** Up to 12' wide by up to 60' long (in one section)

Design your own configuration.

## MODULAR WORKSAFE™ LIGHT No. 472

**USES: WET, DRY & GREASY WORK AREAS**

- Interlocking system requires no attachment devices or additional bevels.
- Versatile 3' x 3' single workstation mats interlock securely to fit any area.
- Prevent standing worker fatigue.
- The high-tech diamond surface provides additional traction.
- 1/2" overall thickness. Excellent for drainage.
- All exterior edges are rounded for safe, no-trip access.
- Lightweight for easy handling (only 11 lbs.)
- Available in two resilient rubber compounds: Grease-Resistant and Grease-Proof (Nitrile Rubber for use around greases, chemicals and caustic agents).

**STOCK SIZES:** 3' x 3' Grease-Resistant (GR)

3' x 3' Grease-Proof (GP)

## WORKRITE No. 474

**USES: WET, DRY OR MODERATELY GREASY WORK AREAS**

- Lightweight design makes handling and cleaning easier than ever.
- 1/2" thick, grease resistant formulation.
- Beveled edges on all sides for safety and easy cart access.
- Spills drain through holes, keeping employees feet dry.
- Resilient rubber provides cushioned support.
- One year warranty.
- Colour: black

**STOCK SIZES:** 3' x 5'

**CUSTOM SIZES:** 3' x 10' 3' x 20'

*Economical Anti-fatigue mat provides both safety & comfort*

## OUR MATS HELP RELIEVE FATIGUE AND PREVENT ACCIDENTS TOO !

### DIAMOND-PLATE SPONGE-COTE No. 415

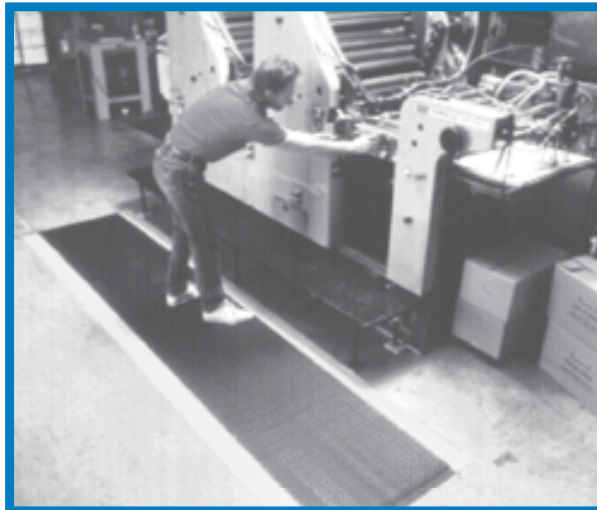

**USES: ALL DRY WORK AREAS**

- Exceptionally buoyant. Always performs well...specifically created for employee safety and comfort.
- A super resilient sponge base to enhance employee productivity and relieve fatigue.
- Self-extinguishing, non-flammable and chemical resistant.
- 5/32" thick 100% Koroseal Vinyl surface is over three times more abrasion resistant than competing products.
- 9/16" overall thickness with beveled edges for safety.
- Borders on longitudinal edges only.
- Colours: Black, black with yellow borders, black with orange borders, black with alert borders, grey, grey with yellow borders.

**STOCK SIZES**

**CUSTOM SIZES**

2' x 3'    3' x 5'    2', 3' and 4' widths up to 75' in length

A unique embossed, high tech surface to safeguard against slippage.

### ULTRA-TRED ARMOR-COTE No. 440

**USES: DRY WORK AREAS & AROUND CHEMICALS**

- Resistance to chemicals such as acetone, hydrochloric acid, isopropyl alcohol, and caustic cleaning solutions.
- Offers more resistance to surface abrasion than comparable coated products.
- Sealed with urethane for longevity and durability.
- Cleans easily with damp mop.
- Textured surface guards against slips.
- Bright yellow borders emphasize safety in hazardous work areas.
- Edges are beveled on cut lengths.
- 3/8" thick, closed cell, PVC sponge.
- Colors: Charcoal with yellow borders

**STOCK SIZES:** 2' x 3'    3' x 5'    3' x 12'    2' x 60'    3' x 60'    4' x 60'

**CUSTOM SIZES:** 2', 3' and 4' widths up to 60' in length

Urethane coating increases durability and resistance to chemicals.

### ENDUR-ABLE No. 459

**USES: ANY DRY WORK AREAS**

- Takes vinyl sponge matting to the next level by integrating a very durable, slip-resistant surface and a sponge base in a singular construction.
- Two densities of vinyl permanently heat fused.
- Top layer is a tough, abrasion, slip and water-resistant vinyl.
- This state-of-the-art bonding process is guaranteed against delamination under normal conditions.
- Reduces fatigue while providing overall comfort.
- Economically priced.
- 1/2" thick. Edges beveled for safety.

**STOCK SIZES:** 2' x 3'    3' x 5'    3' x 12'    2' x 60'    3' x 60'    4' x 60'

**CUSTOM SIZES:** 2', 3' and 4' widths up to 60' in length
